Victoria "Vicky" White

1930–2016

With heavy hearts we announce the peaceful passing of our beloved wife, mother, grandmother, great grandmother, sister and aunt, Victoria "Vicky" (nee Krasko) White. She was born at Samburg, later the family settled at the farm south of Snowden. With thirteen siblings, she had many humorous memories and stories to share. It was at a dance that Vicky's smile and twinkle in her eye captured the heart of her lifelong love Lloyd White of Smeaton. They were married on September 24th, 1948 and settled in Choiceland where they raised three children together. They made a great team; Vicky ran the household with as much passion as Lloyd ran his business! She was an avid gardener and an amazing cook who loved to host family and friends. True to her Ukrainian heritage, there was never a shortage of food and hospitality! Vicky was known for her sharp wit. She was always ready to listen and offer advice. Vicky also could be a trickster and appreciated a good joke. Victoria loved her family and adored her loving husband Lloyd. They spent 67 years together travelling, playing cards, picking blueberries, fishing and entertaining their grandchildren at their cabin at Candle Lake. It brought her great joy in giving of herself to others and she will always be remembered for her generosity and caring heart. Victoria is survived by her loving husband Lloyd; her son Brian (Joanne) of Choiceland, SK and their family Corey, Tara (Brian) Ashe and their children Acelynn and Ethan; her daughter Elaine (Greg) of Oak Lake, MB and their children Charity, and Jay; her daughter Connie (Kevin) of Prince Albert, SK and their children Jarica and Liam; her sisters Annie Molitwenik of Candle Lake, SK, and Jean Lundy of Kincardine, ON; her sisters-in-law Hilda Krasko of Snowden, SK and Helen Krasko of Prince Albert, SK, as well as numerous other relatives and friends. Victoria was predeceased by her parents Charles & Francis Krasko; brothers Mike, (Sally) Krasko, Nick Krasko, Alec Krasko, and Steve Krasko; sisters Mary (Stanley) Mardell, Bella (Billy) King, Sophie (Ralph) Ernst, Pauline (Bob) Miller, Lucille (Gerald) Lundy, and infants Violet and Dora; brothers-in-law Pete Molitwenik, and Rodney Lundy. The family would like to send a heart felt thank you to Wendy and the staff at Caleb Village, the staff at Victoria Hospital, Dr. Maya and family and friends for their care and concern. Also, thank you to United Church Minister, Nora and Funeral Director, Marianne for their support and guidance at this time of sadness. A Graveside Service was held at 10:00am on Friday August 19th, 2016 at Prince Albert Memorial Gardens with Reverend Nora Vedress officiating. A luncheon followed at Caleb Village, 19 Guy Drive Prince Albert, SK. In lieu of tributes donation may be directed to the Kidney Foundation of Canada 2217 Hanselman Ct, Saskatoon, SK S7L 6A8 or to Calvary United Church 114 25th Street East Prince Albert, SK S6V 1S5 or to a charity of the donor's choice. Family and friends wishing to send messages of condolence may do so by visiting www.beaulacfuneralhome.com. Funeral Arrangements have been entrusted to the care of Beau "Lac" Funeral Home - Marianne Turcotte Funeral Director, Prince Albert 306-763-3322

SUMMER STUDENTS: Shelby Kun, above, was the paddling pool supervisor this summer, her second year doing an excellent job of keeping kids active and safe. At right is this summer's student at North Haven, Kaylee Pistun. Shelby and Kaylee will both be taking grade twelve in Choiceland and both aspire to further education, Kaylee in the health field and Shelby wishes to take a business course at Moose Jaw or Prince Albert.

Shelby says her summer at the pool went well and her biggest crowd was during the Falloon reunion when she looked after twenty youngsters. When the weather was bad she crafted with the kids. Shelby is the daughter of Darrell and Cheryl Kun of Smeaton.

Kaylee really enjoyed her summer at North Haven as she is a good listener and she claims the residents all had great stories to tell. Kaylee gets her discipline from her passion for dance as a student and helper of J. Froehlich Dance in Nipawin. Kaylee is the daughter of Kelly and Wendy Pistun of Snowden.

We wish both students good luck with their final year of high school and thank them for their good work this summer in Smeaton.

CONGRATULATIONS !!

Jenna Pearse graduated from the University of Alberta (Edmonton) receiving her degree in Environmental and Civil Engineering in June 2016.

Jenna is the daughter of Allan & Julie Pearse (Grande Prairie, AB) and granddaughter of Harold & Leona Pearse (Snowden).

Well done, Jenna, we are very proud of your accomplishments.

SMEATON LIBRARY: Above, Gayle Olson, librarian, with the library's Canada Day Raffle. The wide array of Canada themed prizes was won by Rebecca Matthews. Thank you everyone for your support.

THANK YOU: The Pearse family wish to thank the Smeaton Fire and Rescue for speedy assistance on June 18th when Jason went into anaphylactic shock as a result of bug bites. After an ambulance ride to Nipawin, Jason has recovered well and is grateful for the care he received locally and at the Nipawin Hospital. Thank you all.

GARBAGE / RECYCLE SCHEDULE: In September put out your black garbage bin on the following Fridays: September 2nd, 16th and 30th. Also October 14th and 28th. Put out your blue recycle bins on September 9th and 23rd as well as October 7th and 21st.

Ina Barker lived at North Haven for eight years and maintained a flower garden just outside her window. We are keeping Ina's garden going and it is a riot of colour this summer.

INA VIRTUE BARKER was born to William and Maud Brown on July 27th in 1908 at Norfolk in England. She came to Canada with her family and met Walter Barker whom she married in 1931. They raised four children together: Charles, Ernest, Joyce and George.

They homesteaded in Snowden, later moving to Nipawin. Walter passed away in 1994. Ina moved to North Haven in 2008. Ina had many interests including painting, quilting, gardening, fishing and traveling.

Ina passed away on May 27th, 2016, two months shy of her 108th birthday. She is certainly missed at North Haven.

SPEEDERS / PUTT PUTTS / TRACK MOTOR CARS / JIGGERS

On July 12th, Torch River Rail hosted 13 vehicles and their owners, variously called speeders, putt putts, track motor cars but generally known as jiggers in Canada. Instead of the pump kind as used by Buster Keaton, these were motorized and owned by members of NARCOA, North American Rail Car Operators Association, 1800 strong, committed to preserving speeders. They pack them up and tour short rails including the run from Choiceland to Nipawin and back. They were going to do it twice but quit after one return run due to rain or perhaps the 1907-foot trestle at Nipawin convinced them not to push their luck. They had done Duluth Minnesota, Fordville North Dakota, and Keewatin Railway from Cranberry Portage (they did not reach Pukatawagan, turning around at Mile 62). From Choiceland they were looking forward to doing the Northern Lights Rail from Branspeth to Melfort and back, Big Sky Rail from McCrorie to Eatonia, and Swift Current to Burstall on the Great Sand Hills Railway. The Excursion Chief was Michael Ford, shown above, from Indianapolis, Indiana. He retired early from a management position with Eli Lilly and is having the time of his life.

In photos above, the thirteen speeders are being loaded on trailers to continue on to their next short rail adventure. Below, Diego and Charlie Hernandez-Temple came out with mom Eve Temple to see the jiggers.

SNOWDEN ANNUAL SPORTS DAY: We had a gorgeous day for the Sports Day, with lots of activities for all ages. New this year were Zorb Balls and Hamster Balls. Many thanks to our three major sponsors: Kelsey Ag Ventures, Diamond North Credit Union and Pineland Co-Op. Winners of the ball tournament were the team Antique Road Show. Thank you to everyone who helped put together another successful Sports Day!

EXCELLENT HONEY BEING PRODUCED IN SMEATON AREA

Grant and Carissa Schmidt are running their apiary operation about six kilometers north of Smeaton and producing large quantities of high quality honey. Look for their label, designed by Carissa's grown daughter who is studying graphic design in Alberta. In photo at right, Grant is showing visitors their extractor.

In photo far right, Jerry Zypchen of Ottawa stands in front of a bank of many barrels of honey. Grant and Carissa were expecting to harvest another 40 barrels before wintering their bees.

Good luck to Grant and Carissa in their business. Their honey really does taste special. Locally, it is available at Smeaton Co-op and at Kritters and Krumpets. Try it!

PAL COURSE HELD IN SMEATON

Smeaton Legion #319's hall was full on the weekend of July 16 and 17 with those eager to learn about gun safety and today's rules for owning guns. Many thanks to those who attended and Joe Woodsworth for teaching the PAL courses. (PAL stands for Possession and Acquisition Licence).

Smeaton & District Fire & Rescue would like to thank everyone who attended our Open House on June 18th. Photo left is the rollover demonstration. We appreciate the support of the community we serve! Summer 50/50 winners were: June - Linda Jordan of Smeaton \$149.50 and July - George Pickett of Snowden \$30.00. Next draw is August 31st - tickets are available at the Post Office, Smeaton Co-op and Snowden Star Hotel or from any firefighter or First Responder.

As the Wounded Warrior cavalcade made it's way to Nipawin, Smeaton & District Fire & Rescue was honoured to pay our respects as they passed by Smeaton. This year's WW was promoting the effects of PTSD on all first responders: EMS, fire, RCMP, etc. Members of SDFR and supporters from Smeaton and area gathered at the highway to wave flags and signs of support to our veterans.

A REMINDER: ALL CALLS SMEATON & DISTRICT FIRE & RESCUE GOES TO ARE HIGHLY CONFIDENTIAL. PLEASE RESPECT THE PRIVACY OF ALL THE PEOPLE/INCIDENTS WE ATTEND TO AND PLEASE DO NOT ASK OUR MEMBERS FOR INFORMATION.

PHOTOS: Three photos at left and above: Smeaton Fire and Rescue and general public show up to honour Wounded Warriors cavalcade on their way to a fun weekend in Nipawin.

HERITAGE HOMESTEADS IN THE CHOICELAND AREA

Dan MacDonald

passed away in 2000, but his photographic record of homestead homes are a valuable reminder of past history in the Choiceland district. 35 of Dan's photos have been enlarged and are displayed in the foyer of the Choiceland Museum. Many thanks to Jan Misselbrook for preparing these stories every month.

ED SELNER HOMESTEAD

Ed Selner came to the Choiceland area from Kentucky USA. His motto was: "Shoot first and argue about it later."

He filed on SE26-52-17 W2. He was not very ambitious and never had enough firewood to last through the winter. Sometimes he ran out of wood in the middle of the night. He often had to borrow from the neighbours.

He worked six months of the year on the homestead and worked away the rest of the time.

He loved his chickens and often had more inside his house than outside.

He left the area around 1948. Mort Seaman drove him to the train for a one-way trip to Edmonton. The land was sold to Harry Seaman.

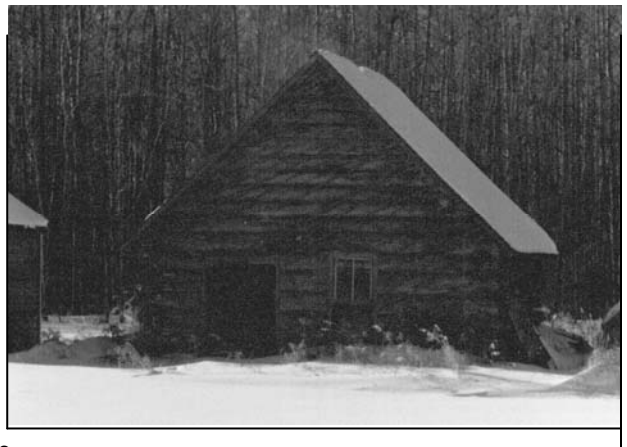

FRANK MEYERS HOMESTEAD

Frank Meyers came from Nova Scotia in the late 1920's. He fought in the First World War.

Frank filed on SE27-52-17-W2. He was rather a cantankerous character. He worked in many bush lumber camps. In 1942 he worked with 17-year old Archie Knipe at Basil Bell's lumber camp in the Love area.

Frank worked ten hour days at that camp for 40 cents an hour. They charged a dollar a day for board and 42 cents for tax. They cleared \$2.60 a day.

In 1945 Frank worked at Frank Bell's camp for 45 cents an hour. Eventually Frank returned to Nova Scotia. The land was sold to Dave Rodgers.

CHOICELAND MUSEUM RE-OPENING

by Jan Misselbrook

On a beautiful sunny day, August 20th, 2016, the Choiceland Museum celebrated their re-opening in their new location, the former St. Mark's Lutheran Church. The Museum had been in transition since acquiring the church building in 2014. Although the Museum is a continuous work in progress, the committee felt it was time to officially open the doors and let the community know what has been accomplished in two years.

What a party it was! Master of Ceremonies was Jan Misselbrook, treasurer of the museum. Founding members of the museum in 1995 were present: Edna Mollison, Thelma and Cliff Kelsey, Dorothy Rigg, Evelyn Stensrud, Florine Debnam representing the late Bill Ostlund, Ida MacDonald representing the late Dan MacDonald. Missing was Betty Smith. Thelma Kelsey, president of the Museum, cut the ribbon to officially open the Museum.

Cindy Murphy represented our Member of Parliament, Randy Hoback; Nadine Wilson, our Saskatchewan Party MLA, and Mayor of Choiceland Robert Mardell

all spoke at this occasion.

The band called The Homesteaders consisting of fiddle player David Roang (from Niton Junction Alberta, formerly of Snowden); Terry Chamberlain of Smeaton, Don Friesen (Choiceland) and Russell Case (Choiceland) hit the stage for the afternoon. Lynn Case sang "The Settler's Dream" which had been written by herself and husband Russ and showcased the photos in the Choiceland Museum. The musical video of "The Settler's Dream" had recently been released on YouTube, perfect timing for the museum re-opening.

The old tractors, plows, cars and trucks were on display. A 1926 Model T owned by Robert MacDonald, formerly his grandfather's and father's car, was the oldest vehicle displayed. This car had come to Choiceland in 1936 by boxcar from Assiniboia.

Many thanks to Ray Wilburn who arranged the vintage tools display.

Horse teams driven by Mort Seaman and Brian Scott were on the trot all day providing wagon rides.

Ian Garsten put on his banker's hat, and along with Lorne Lindbergh and Jamie Doerksen, ran the 50/50 draws.

Jamie Doerksen was on standby to haul in old vehicles. He hauled in a 1937 John Deere tractor out of the bush, covered in tree branches and leaves. It had been owned by Neil Law.

Dave Forden placed a 1957 locomotive on the track at

Torch River Rail so people could view her. The Fire Department brought out the old 1951 Willis Jeep, and used their modern equipment to block the streets to block off traffic and ensure safety. In the Seniors Hall, a beautiful vintage quilts and wedding dress display was staged by Deanna Scott and Do-reen Ealey. Edna Dickson staged the art display. Deanna Herman along with her sisters Violet Huard and Bea Wilburn provided cold plate meals. Many in the community brought in pies and cakes. Hot dogs, ice cream and cold drinks were also available...nobody went hungry. The oldest person attending was Ellen Hayden at 99 years of age, driven from Prince Albert by her baby brother, 90-year old Lloyd Smith. Archie Knipe was also in attendance. He had attended the first sports day held in Choiceland in 1931 when he was six years old, 86 years ago. Also in attendance was 99-year old Annette Kirkland of Weirdale. Many thanks to Lori Burka, for photographing this event. Thank you to all the people of the community who came forward to help set up, take down, work in the food booths and help in many ways to make this event a huge success. It makes us proud of this community of Choiceland and surrounding area. It certainly is the people's museum, the way everyone came together to help. **THANK YOU EVERY ONE!!** All we can say is: "You all come back next year!": The fiddle player says he will come home again next year. After all, you got to have a fiddle in the band.

CHOICELAND MUSEUM wishes to thank Cliff and Thelma Kelsey for their generous donation towards the attractive and functional stairs and ramp at the Museum.

The Museum also wishes to thank Bisset Creek Homes Ltd for doing such a great job in constructing the stairs and ramp.
